

Are you ready to Play on NCDUK?

Help to create a world fit for children

National Children's Day UK is all about the importance of a **healthy childhood** and how we need to **protect the rights and freedoms of children** in order to ensure that they can grow into **happy, healthy adults**.

The recipient of two National Lottery grants, last year NCDUK had a Facebook reach of 3.2 million and helped raise £540k for disadvantaged children.

From city-wide events to school run celebrations, small family get-togethers and local community events and talks - it's a great opportunity to raise awareness about projects you are running or things you care about.

You can run any big or small activity or event that you want for the week up to and including the day but don't forget to contact the NCDUK team through the website to let them know what you are up to.

Sunday 14th May **NCDUK** 2017
